

Exhibit No. 10  
Date 02.10.2015  
Bill No. SB 245

SB 245 Amendment

Page 7, line 19:

Insert:

(5) The department shall not limit the number of permits in a district for a population of elk, deer or antelope that remains above the sustainable population.

(6) The department shall not deny a landowner request for a game damage hunt, landowner permit(s), animal relocation, or postseason antlerless elk hunt in a district for a population of elk, deer, or antelope that remain above the sustainable population.
